DECLARATION OF PRIOR INVENTION UNDER 37 C.F.R. § 1.131

I, Pamela Ariniello, declare:

1. I am Associate General Counsel for Intellectual Property for the Dana Farber Cancer Institute, the assignee of the claimed in the above-referenced patent application. I am authorized to sign on behalf of the assignee.
2. The invention was completed in the United States prior to October 4, 2002, the earliest priority date of US Patent No. 7,041,869 ("Holland"). The Holland reference was cited by the Examiner in the February 25, 2009 Office Action.
3. The evidence provided in this declaration demonstrates that the invention claimed in this application was conceived before the October priority date of the Holland reference.
4. I submit herewith a copy of an Invention Summary Document dated September 8, 2002 (Exhibit A). This Invention Summary was submitted to the Office of Patent Counsel at the Dana Farber Cancer Institute by the inventor, Dr. William Kaelin, of the above-referenced patent application. This Invention Summary Document was used in the preparation of the priority application filed November 4, 2002. This Invention Summary Document demonstrates that Dr. Kaelin conceived of the claimed invention prior to the October 4, 2002 priority date of the Holland reference and Dr. Kaelin's due diligence to the filing of instant application.
5. This Declaration is submitted before issuance of the final rejection in the present application.
